GENERAL 90/90 & JPF TALKING POINTS

- The Jacques Pépin Foundation helps people everywhere discover better living through better food. The JPF provides grants to community kitchens across the country and celebrates the culinary arts in programs accessible to everyone.
- The JPF's vision is a world in which lives are enriched and communities are strengthened through the power of culinary education. We work to raise awareness about the importance of food and cooking in our daily lives, inspiring future generations of food lovers to discover their own "Happy Cooking" for improved health and well-being. More information on the mission and programs can be found at jp.foundation
- The 90/90 Dinner Series is the JPF's first national fundraising campaign with the goal to raise a record amount of funds to advance the JPF's mission of improving lives through culinary education. More information can be found at www.celebratejacques.org
- Please always feel free to include in your posts any personal or professional connections to Jacques Pépin or what Jacques means to you and/or your business
